Katie Trojanowski '12

Director of Administration

As a member of the Class of 2012, Katie is in her first year on the Ministry Team. She enjoys spending time relaxing with friends and taking yoga and kickboxing classes at the gym. In addition to Italy and Spain, Katie aspires to travel to Willy Wonka's Chocolate Factory to satisfy her sweet tooth. She has a vivid imagination and an obsession with everything Disney. Katie loves taking frequent trips to the Jersey Shore, watching 1990s TV show marathons, and Girl Scout Cookie season. A mathematics major, she is undecided as to what she will do with her degree, but knows that she wants to work in a field where she can help others. Katie hails from Glen Ridge, New Jersey.

Jacqueline Braun '09

Secretary

As a senior chemistry major from Yardley, Pennsylvania, Jackie is very busy with work. She always finds time to help out at CCM Thursday Night Dinners as she loves to cook and spend time laughing with friends in the kitchen. With her love of making others happy, Jackie has been known to put a humorous spin on CCM's meeting minutes. She believes that life is short, so you should live it to the fullest. When asked what crayon color she would be, Jackie would definitely pick Granny Smith Apple, as it represents a great color and a great snack. Jackie has been on the Ministry Team for three years.

Christa Rotolo '11

Treasurer

Christa, from Ridgefield, Connecticut, is a member of the class of 2011 and is currently serving in her second year on the Ministry Team. Although busy with her double major in management and civil and environmental engineering plus varsity rowing, Christa loves to practice all types of sports, including archery. She hopes to one day not only complete an Iron Man Competition, but also work internationally so that she can experience different cultures and make a difference in the lives of others just like her role model Eleanor Roosevelt. In her free time, Christa enjoys dressing up and taking weekend train trips into New York City, where she plans to live when she graduates from Bucknell.

Stephen Van Noddall '11

Publicity and Bulletin Coordinator

Stephen is a sophomore from Howell, New Jersey and a second year member of the Ministry Team. As a civil engineering major, it is no surprise that Stephen absolutely loves rollercoasters, and would like to visit every theme park that he can so that he can get ideas to design and build the best rollercoaster ever made. Spending most of his time in Dana, Stephen often thinks about running away to a place near water and eating cupcakes, since he loves frosting. Stephen will also answer to Noz, and loves videogames, his green shoes with mismatched laces, and editing the CCM bulletin.

Will Kane '12

Computer/ Archivist/ Photographer

Will has two roles on CCM's Ministry Team. In addition to his position on the Spiritual Life Committee, he is the computer/archivist/photographer. As one of the new retreat co-coordinators, Will looks forward to proposing ideas that have never before been considered. This is Will's first year on the Ministry Team and he is from Wilton, Connecticut. He is extremely active and you will most likely run into him at the gym, on one of the intramural fields, or at an athletics event. Since Will loves music, particularly Alter Bridge, one of his life goals is to make music like his role model Myles Kennedy.

Andrew John Dotts '12

Website Coordinator

Andrew is a huge fan of hockey and football, and considers himself to be much like his brother, Alan. As a freshman, Andrew looks forward to going on more CCM retreats and getting to know others on the team better. He hopes one day to complete his life goal of learning to fly a plane. Andrew feels that it is the quickest way to travel and will help him to see the world outside of his hometown of Houtzdale, Pennsylvania. Andrew can be found in his dorm room or in the cafeteria munching on tacos.
