- ◆ Super Bowl Party
- ◆ Newman House Holiday Open House

For more information, or if you'd like to get involved, email ccm@bucknell.edu

Shannon Hayes '11

Director of Social Events and Outreach

Shannon is a sophomore from Parkville, Maryland, and is in her second year on the Ministry Team. With Shirley Temple and Marilyn Monroe as her celebrity counterparts, she can be found running all over campus sharing her bright smile and bubbly personality with everyone she meets. She cannot pick just one CCM memory as her favorite, but will always remember the drive to deliver Valentine's Day cards with Emily Norton, and cannot wait to go rock climbing with CCM in the fall. Shannon dreams of becoming a mermaid, and with her friendly personality is a firm believer in the positive power of hugs. She loves going barefoot in all kinds of weather and thinks that shoes are highly overrated.

Anne Sequeira '12

Thursday Night Dinner Chair

Anne, a freshman from Lowell, Massachusetts is in her first year on the team and she has already made quite an impression on the hearts and stomachs of CCM'ers. She is majoring in civil engineering, and during the week she can be found in the lobby of Dana, hard at work. She has not been to the Freez yet, but she promises she will get there before she graduates. Until she has tasted the wonders of a Freez, her favorite dessert is cupcakes, squared. Anne is quite proud of the fact that she has traveled to Minnesota, and is truly passionate about everything she does.

Kelly Carlin '11

Events and Outreach Co-Coordinator

Kelly is a new Ministry Team member and a sophomore from North Bethesda, Maryland. Her favorite CCM memory is of cooking her first Thursday night dinner with Elise and Callie. It is hard for Kelly to decide which snack she likes most: cups of grapes at Seventh Street Café or a strawberry banana Freez. She is very involved on campus as a member of Alpha Chi Omega, Community Service and Philanthropy Chair for the Pan-Hellenic Council, a club soccer player, and a volunteer for Big Brothers Big Sisters. She wants to go abroad to South Africa or Italy, and has a secret passion for archery.

Callie Riedel '11

Events and Outreach Co-Coordinator

Callie is a first year team member, and is really excited about her opportunity to be a leader in CCM. As a sophomore biomedical engineering major, she is busy with schoolwork but still makes time for CCM and her sorority, Alpha Chi Omega. Her fondest CCM memory is her first Thursday night dinner here as a freshman, especially the desserts. Callie grew up in Australia but is now from Weston Massachusetts, and would love to climb the Sydney Harbor Bridge. She would also love to visit Greece and/or survive engineering.

Elise Terrell '11

Events and Outreach Co-Coordinator

Elise, from Poolesville Maryland, is a sophomore and this is her first year on the team. She is an electrical engineering major who stays busy in the Society of Women Engineers and with her sorority, Alpha Chi Omega. Elise loves the tomato soup at the caf, and can often be found on her way to the gym. Elise may have a future as a party planner, having collaborated on the awesome Halloween bash at CCM. During the cold and windy Bucknell winters, Elise just longs to be somewhere warm.

Elizabeth Wiewiorowski '12

First-Year Mentor

“Eli” is a member of the class of 2012 and a first-time Ministry Team member. She is quite busy, aspiring to double major in biology and management. Eli, or “the Trickster,” is a bowling whiz, so do not challenge her to a game unless you are prepared to lose. She is quite the world traveler and her family currently lives in Moscow. Even though Eli has been to 40 countries, what she really wants to do next is backpack through New Zealand. She is committed to helping the incoming first-year students love Bucknell as much she does and is doing double duty as first year mentor and as the lector chairperson. If Eli were a crayon she would definitely be yellow.
