### **Alyssa DeLorenz '11**

#### *Co-Director of Spiritual Life and Evangelization*

Alyssa, also known as "Lyss", is the Bucknell women's varsity lacrosse goalie, and loves team bonding on and off the field. She enjoys getting together with friends and agrees with the majority of her fellow Ministry Team members that going bowling is a great way to hang out with them. Being inspired by her favorite movie, *Field of Dreams*, Alyssa hopes to change at least one person's life. She has been to over half of the states in the nation and has walked across the border to Mexico. A sophomore accounting major, Alyssa is from Garland, Texas and is in her second year on the Ministry Team.

### **Aidan Willis '11**

#### *Co-Director of Spiritual Life and Evangelization*

Aidan, a sophomore from Portland, Oregon, is a civil engineering major and a radio show host. Out of all of the memories from his two years on the Ministry Team, Aidan still gets a kick out of the time when Father Michael and Robert filled the living room with smoke. Recognized for his wardrobe of flannel and plaid, Aidan is unsure of what his personal crayon color would be titled, but knows that it would not be red-orange. Among his list of life goals, Aidan hopes to one day visit the Great Wall of China and to make pasta so delicious that it would make someone cry.

### **Allison Fox '12**

#### *Spiritual Life/Retreats*

Allison Fox from Ramsey, New Jersey, is a first time member of the Ministry Team. As a retreat co-coordinator, Allison looks forward to planning and going on retreats. Since Allison is an active member of the Pep Band, you will oftentimes find her at football and basketball games or in the music building. One of her lifetime goals is to be a published author like her role model J. K. Rowling. Allison's favorite motto is "to keep moving forward," which seems to fit fairly well with her life goals of running a marathon and visiting every continent. As a member of the environmental residential college, it is not surprising that her favorite mode of transportation is a bike and that she will be living in the green mod her sophomore year.

**Will Kane '12**  
*Spiritual Life/Retreats*

Will has two roles on CCM's Ministry Team. In addition to his position on the Spiritual Life Committee, he is the computer/archivist/photographer. As one of the new retreat co-coordinators, Will looks forward to proposing ideas that have never before been considered. This is Will's first year on the Ministry Team and he is from Wilton, Connecticut. He is extremely active and you will most likely run into him at the gym, on one of the intramural fields, or at an athletics event.

**Kim Papa '11**  
*Spiritual Life Programming*

This is Kim's second year on the Ministry Team and she is serving on both the Community Service and Spiritual Life Committees. Kim, who loves wearing moccasins, is double majoring in English and Spanish. She loves languages and is looking forward to studying abroad in Spain. On campus you can find her studying in either Willard Smith Library in Vaughn or 7th Street Café. Kim loves writing, but for some reason despises writing in blue ink. Hopefully, this will not affect her dream of becoming a published writer. Maybe Kim's first published story could be about her favorite CCM memory – the 2007 White Elephant Christmas Party in which everyone found out how indecisive Emily was when she took thirty minutes to decide which present to open. Kim is from Basking Ridge, New Jersey.

**Scott Henry '10**  
*Catholic Traditions Manager*

Scott Henry is a rockin' guitar player who will blow you away with the sweet sounds that spring from his fingers. He transferred to Bucknell from The Berklee College of Music in Boston and has been a staple of our Ministry Team ever since. The first thing that you will notice about Scott is that he towers over you. But have no fear, for he is a gentle giant. This giant scholar is often found discussing philosophy or cracking jokes. Scott is from Shavertown, Pennsylvania.

**Brian Malik '11**  
*Catholic Traditions Assistant*

Brian, a sophomore from Cheshire, Connecticut, is pursuing a double major in cellular biology and biochemistry. He dreams of curing a disease and receiving a Nobel Prize when he's not busy as an officer in both the Biology and the B.R.A.I.N. clubs. He fills two roles on the Ministry Team, as Catholic Traditions Assistant and Extraordinary Minister Chairperson. Brian loves to travel and has already been to 15 countries including Belgium, Italy, and Bermuda. He hopes to make his way to Greece and England soon. Brian can usually be found at Thursday night dinners, unless, of course the caf is serving up his favorite roast turkey.

**Jen Rizzi '11**  
*Prayer Coordinator*

This is Jen's second year on the Ministry Team. As an English major from Bethel Park Pennsylvania, it is not surprising that Jen was a lead in the most recent theatrical production here at Bucknell, works as a Peer Writing Tutor, and wants to be a print or TV journalist. Her favorite CCM memories center on the annual Christmas parties. During our White Elephant gift exchange, she walked away with a virtual Etch-A-Sketch and a Hannah Montana purse — both of which she cherishes deeply. It may be a good idea to get to know Jen because she tends to exude luck. Even though she may not eat sweets, Jen is definitely one of the sweetest people you will meet on campus.
