Our Lord Jesus Christ The King

Nicene Creed

We believe in one God, the Father, the Almighty, maker of heaven and earth, of all that is seen and unseen.

We believe in one Lord, Jesus Christ, the only Son of God, eternally begotten of the Father, God from God, Light from Light, true God of true God, begotten, not made, one in Being with the Father. Through Him all things were made. For us men and for our salvation, He came down from heaven. By the power of the Holy Spirit, He was born of the Virgin Mary and became man.

For our sake He was crucified under Pontius Pilate, He suffered, died, and was buried. On the third day He rose again in fulfillment of the Scriptures. He ascended into heaven and is seated at the right hand of the Father. He will come again in glory to judge the living and the dead, and His kingdom will have no end.

We believe in the Holy Spirit, the Lord, the giver of life, who proceeds from the Father and the Son. He has spoken through the prophets.

We believe in one holy catholic and apostolic Church. We acknowledge one baptism for the forgiveness of sins. We look for the resurrection of the dead and the life of the world to come. Amen.

**A Note From Father Marty**

TREASURES FROM OUR TRADITION

Despite the fact that the feast of Christ the King was established less than seventy-five years ago, it has already undergone a shift in focus. When Pope Pius XI established this feast in 1925, nationalism and fascism were on the rise. The pope intended that it be a “vehicle for spiritual teaching,” one that would recognize the ultimate authority of Christ over all political and social scheming. The last Sunday of October was chosen as the date for the feast because of its proximity to the feast of All Saints, those men and women who bore witness to Christ’s reign in so many different ways.

The calendar reforms of 1969 moved the feast to the last Sunday of the liturgical year. There, in the context of November’s focus on the end times, Christ’s second coming at the end of all time is highlighted. The threefold cycle of readings also expands our imaginations in regard to this feast. In this year’s Gospel, Christ stands before Pilate, whose own power blinds him to the truth of the Lord’s kingdom. In a world where oppression still holds sway over too many people, this feast is somehow still as timely as when Pope Pius XI first established it.
