30th Sunday in Ordinary Time

Nicene Creed

We believe in one God, the Father, the Almighty, maker of heaven and earth, of all that is seen and unseen.

We believe in one Lord, Jesus Christ, the only Son of God, eternally begotten of the Father, God from God, Light from Light, true God of true God, begotten, not made, one in Being with the Father. Through Him all things were made. For us men and for our salvation, He came down from heaven. By the power of the Holy Spirit, He was born of the Virgin Mary and became man.

For our sake He was crucified under Pontius Pilate, He suffered, died, and was buried. On the third day He rose again in fulfillment of the Scriptures. He ascended into heaven and is seated at the right hand of the Father. He will come again in glory to judge the living and the dead, and His kingdom will have no end.

We believe in the Holy Spirit, the Lord, the giver of life, who proceeds from the Father and the Son. With the Father and Son, He is worshiped and glorified. He has spoken through the prophets.

We believe in one holy catholic and apostolic Church. We acknowledge one baptism for the forgiveness of sins. We look for the resurrection of the dead and the life of the world to come. Amen.

**A Note From Father Marty**

**THINK ABOUT THIS:** Most of the skyscrapers in New York City were built by Indians! It’s true. The Mohawk Indians are native to New York state. They are famed for their catlike ability to scamper across girders. They are totally indifferent to heights. It seems to be a genetic trait. A writer even spoke of it in 1714. In 1886, the Mohawk Indians built the bridge that spans the St. Lawrence River. They were the riveters on the Empire State Building and Rockefeller Center. Some people are uncomfortable in high places, but the Mohawk Indians seem right at home. Spiritual heights are uncomfortable for some. They want to live in the lowlands of life, but Christ keeps calling us to higher ground.

**NOVEMBER COUNT:** At the direction of Our Most Reverend Bishop we will participate in a diocesan-wide count of those who attend weekend Masses. This count will be taken at every Mass during the month of November. With the number of working diocesan priests reaching a critically low number it may be necessary, in some places, to realign Mass schedules. You will know more when we do.
