

**CCM Director's Meeting**  
**Langone Center Room 246**  
**February 27, 2006**  
**12:00 – 1:00PM**

**Attendees:**

Fr. Martin Moran, Emily DeLong, Tara Archer, Bryan Bzdek, Mike Rakszawski, Steve Chronowski, Tom Wagner, Kim Custer

**Blessing by Father Marty**

- Father Marty extended thank you's to all who helped to make the Busy Person's Retreat a success. Everyone came together to make the event memorable for all.
- Ash Wednesday- discussion concerning only Ecumenical Services during the daytime hours. If you choose to attend 10PM Mass, little time is available to allow your ashes to be visible to the community. Father requested that possible alternatives be suggested for next year. Maybe having Mass at 8AM at the Newman House.
- Fundraising requests must meet Diocese approval. A form is available that the fundraising party must sign stating that they will adhere to Catholic beliefs with the distribution of the donation. This can be a difficult process. As a general rule, CCM will not sponsor anyone except for our Kentucky Parish. If an exception arises to be considered, a Director will bring it to our monthly meeting, and if approved, that Director will take care of getting the proper form signed and submitted.
- Ministry Team Picture – Scheduled for Thursday, March 9 at Newman House with Pizza being provided for lunch.
- The BSG Budget must be submitted by March 10. Mike and Derek have been working on this. Mike to send an email copy to Directors for their input. Suggested that we invite them to join us for a Thursday Dinner.
- Catholic Lecture Series – Sister Anita Baird. Brunch is being planned for Sunday, March 5. CCM is invited to attend. Please advise if your committee members will be attending. Also, lunch on March 6 in LC – Directors invited to this as well.
- Meet Your Ministry Team – Program is going smoothly. Spiritual Life is the next committee, so surveys and pictures need to be submitted to Dominic.
- Event Forms for planning were discussed again. The forms need to be reworked to make them more user friendly. Emily volunteered to work on this and will coordinate with Kim.
- Emily Haley has volunteered to present 5minutes of Leadership Development Training at our Ministry Team Meetings each month.
- Student Ambassadors are needed for Reunion Weekend. Emily said this was a fun experience. Let Father Marty know if you are interested.

- We need to start planning for the Fall Schedule. Look back to last year and try to set a rough format. It was suggested that budgets be set for an event during the planning process, so members know how much funding is available.
- New Business: Kristen Viola has been a strong participant in CCM Events – it was suggested she be made a member of the Ministry Team. The paperwork will need to be submitted.
- Next Meeting is scheduled
